### **IN THE CLAIMS**

Please cancel independent Claim 25.

1. (Previously Presented) A method for preparing graphical content associated with corresponding digital audio content, comprising:  
receiving said graphical content associated with said corresponding audio digital content from a digital database; and  
preparing said graphical content for packaging with a compact disk containing said corresponding digital audio content by implementing at least one format conversion, wherein said at least one format conversion comprises:  
utilizing a first software program to manipulate said digital graphical content;  
creating postscript files corresponding to said digital graphical content;  
manipulating said postscript files corresponding to said graphical content utilizing a second software program;  
creating PDF files corresponding to said digital graphical content; and  
printing said PDF files.
2. (Previously Presented) The method according to claim 1, wherein said receiving step comprises downloading said graphical content from said digital database in a format compatible with the first software program.
3. (Previously Presented) The method according to claim 2, wherein the first software program includes Quark Xpress.
4. (Canceled)
5. (Previously Presented) The method according to claim 2, wherein the first software program includes Acrobat Distiller.
- 6-29. (Canceled)
